

## ELDREDGE BLUE CHIP SHIRAZ 2004

\$27-\$29

Eldredge produces civilised Clare Valley shiraz that is a little outside the mainstream. This latest, purplish example has a nose that evolves nicely in the glass. There are black fruit, choc-mint and spice aromas, and despite new American oak, the wood is subtle. It has a silky texture, medium body, length and finesse, finishing with soft tannins.

**Ageing?** Drink over six years.

**Food ideas:** Steaks; roast beef.

**Stockists include:** Railway Hotel, North Fitzroy; Wineyards, Richmond.
