CHARDONNAY

An elegant Coonawarra Chardonnay with a straw tinge. Peaches, melons honey and limes are the primary aromas as the stone fruit characters on the nose flow through to the palate. Its great length of flavour with honey nuances and crisp acidity completes an all round excellent drinking Australian Chardonnay.

SHIRAZ

This Victorian Shiraz has toasty, spiced, cherry plum, chocolate aromas with a hint of mint. The palate has velvety, ripe fleshy cherry fruit flavours with a lingering astringency - from firm supple grape and oak tannins.

CABERNET SAUVIGNON

Concentrated blackberry and ripe plums with toasty aromas. Intense blackberry and cassis fruit with a hint of chocolate and mint, the soft oak tannins and mouth filling fruit permeates through to the back palate and lingers longingly.
